Dear All,
Greetings!

**Welcome to the National CME On Psychiatry
Faculty Training In Postgraduate CBME**

It is a pleasure to welcome you all to this National CME on Psychiatry Faculty Training in Postgraduate CBME being held in-person at St. John's Medical College, Bangalore. As current or future faculty we will all be involved in PG teaching in one form or the other and National Medical Council has increased emphasis on improving quality of medical education through CBME. This conference comes at a time when we are transitioning from the previous curriculum to the new Competency Based Medical Education.

All the topics chosen for discussion are current and the speakers are experienced academic psychiatrists, clinicians and, importantly, students too. These talks will run alongside interactive workshops, opportunities for blitz presentations and more! Looking forward to your presence and active participation.

With Best Wishes,
Prof. S.M Manohari,
HOD, Psychiatry, St. John's Medical College.
